

Helpful Hints for Best Results...

1. To obtain maximum benefit while taking herbs, don't forget the importance of:
 - a. drinking plenty of water
 - b. eating from the 7 food groups
 - c. visiting your physician on a regular basis
2. Green Leaf Herbs formulas are designed to work synergistically. For best results, take Herbal Blend #1 and Herbal Blend #2 regularly.
3. Whatever the preferred starting dosage, be certain to increase slowly.
4. Be patient. Allow Green Leaf Herbs sufficient time to work. Take an entire month's supply for noticeable results. Green Leaf Herbs are gently working to bring the body back to its natural state of balance and harmony.
5. Minimize foods that slow down the cleansing process such as dairy products, sugar, white flour, processed foods and fatty meats.
6. Eat foods that have life in them, i.e. raw fruits and vegetables, whole grains, sprouts, raw nuts and seeds, fresh juices.
7. Exercise. Participate in a regularly scheduled exercise program.
8. Please store Green Leaf Herbs in a cool, dry place.

About Green Leaf Herbs...

- Helps to balance your body chemistry for peak performance and energy. Rapid elimination of toxics is essential for maintaining health.
- Aids in restoring colon balance and promotion of healthy bowel functions.
- Helps to promote optimal digestion of food.
- Proper diet and natural herbs are our best insurance policy for preserving health.
- Helps to rid the body of environmental pollutants and internal toxic wastes.
- A key to optimal health is regulatory cleansing at both tissue and organ levels.

IMPORTANT NOTE

The information contained in this brochure is not intended to diagnose or prescribe in any way. It is not meant to be a substitute for medical advice. We do not recommend self-diagnosis or self-treatment for serious or long-term illnesses without the advice of a medical professional.

Green Leaf Herbs does not directly or indirectly dispense medical advice or prescribe the use of herbs as a form of treatment. The Food and Drug Administration classifies herbs as a food supplement, not as a drug.
